Editor's NOTEBOOK

Dear Archie Readers,

I've received many
letters recently from
fans wanting to

know about upcoming comic book
conventions. In previous "Editor's
Notebooks," I did mention that I would keep
you informed as to when and where Archie
Comics would be participating in any of these
special events. Well, here goes.

On JUNE 1, 2 & 3, 1990, there will be a
Great Eastern Comic Book Convention at the
PENTIA HOTEL, located on Seventh Avenue at
33rd Street, across the street from Madison
Square Garden and Penn Station in New York
City.

The 21st SAN DIEGO COMIC-CON will be
held at the CONVENTION & PERFORMING
ARTS CENTER in downtown San Diego,
California on AUGUST 2-5, 1990.

I plan on attending both these conventions
along with some of your favorite Archie

artists and writers. If you live or are visiting
in the New York or San Diego areas, stop by
the conventions. We're looking forward to
meeting you.

ATTENTION ARCHIE CLUB MEMBERS!

Hundreds of Archie Club Reporters submit
letters to this office every week. As you know,
we award CASH PRIZES to the reporters who,
in our judgment, sent in the best reports.
Here are some tips on how you might stand a
better chance of winning a prize:

1. Do not write a report on the same
subject about which another reporter has
already written.

2. Do not copy articles, stories or research
material from newspapers, magazines, books
or encyclopedias.

3. Write about teen-age news and events
that will be of interest to our readers, such as
reports on fashion, school projects, unusual
hobbies, travel and science, to name a few.

That's it till next month.

Write your letters to:

of the Readers... by the
Readers... and for the Readers...

FIRST PRIZE—\$10.00
REPORTER
EMILY LEUNG
WINDSOR, ONTARIO

Move it with
those box's!

Dear Archie:

In the old days children were often sent to work at the age of 8. They worked on farms, in factories and coal mines to help support their families. Children were paid low wages and many jobs were pretty dangerous and difficult. On holidays, children were dressed nicely and were expected to behave themselves like adults. The saying, "Children are seen but not heard" was quite true then.

If you think it's tough being a kid now, think about the past. It was much tougher. Times have changed and now there are child labor laws protecting kids from being taken advantage of. Under a certain age children can't have a full-time job. They can't work past 7 p.m. on a school night or do dangerous or hazardous work.

SECOND PRIZE—\$5.00
REPORTER

DANIEL BLINN
NOVA SCOTIA, CANADA

Dear Archie:

Pablo Picasso was born in Milaza, Spain in 1881, the son of an art teacher. Picasso is best known for his paintings and sculpture, but he also worked with ceramics, he did book illustrations, stage design and costume design. Picasso died in 1973.
